SOURCE: 57 FR 61006, Dec. 23, 1992, unless otherwise noted.

§ 52a.1 To which programs do these regulations apply?

(a) The regulations of this part apply to grants by the National Institutes of Health and its organizational components to support the planning, establishment, strengthening or expansion, and operation of research and demonstration and/or multipurpose centers in the health fields described in this paragraph. Specifically, these regulations apply to national cancer research and demonstration centers (including payments for construction, but not including the acquisition of land), as authorized by section 414 of the Act; national cancer research and demonstration centers with respect to breast cancer, as authorized by section 417 of the

Act; national cancer research and demonstration centers with respect to prostate cancer, as authorized by section 417A of the Act; national research and demonstration centers for heart, blood vessel, lung, and blood diseases, sickle cell anemia, blood resources and pediatric cardiovascular diseases (including payments for construction, but not including the acquisition of land), as authorized by section 422 of the Act; research and training centers in diabetes mellitus and related endocrine and metabolic diseases (including digestive, kidney, and urologic diseases), and research and training centers regarding nutritional disorders, including obesity, as authorized by section 431 of the Act; multipurpose arthritis and musculoskeletal diseases centers (including payments for alteration, remodeling, improvement, expansion, and repair of existing buildings, and the provision of equipment necessary to make them suitable for use as a center, but not construction), as authorized by Section 441 of the Act; Alzheimer's disease centers, as authorized by section 445 of the Act; Claude D. Pepper Older Americans Independence Centers, as authorized by section 445A of the Act; research centers regarding chronic fatigue syndrome, as authorized by section 447 of the Act; research centers with respect to contraception and infertility, as authorized by section 452A of the Act; child health research centers, as authorized by section 452C of the Act; multipurpose deafness and other communication disorders centers (including payments for alteration, remodeling, improvement, expansion, and repair of existing buildings, and the provision of equipment necessary to make them suitable for use as a center, but not construction), as authorized by section 464C of the Act; national alcohol research centers, as authorized by section 464J of the Act; national drug abuse research centers, as authorized by section 464N of the Act; and centers for acquired immunodeficiency syndrome research (including payments for renovation and leasing of existing buildings, and the provision of equipment necessary to make them suitable for use as a center, but not construction), as authorized by section 2316 of the Act.

(b) This part does not apply to:

(1) Grants for construction (see 42 CFR part 52b), except as noted in paragraph (a) of this section;

(2) Grants covered by 42 CFR part 52 (grants for research projects); or

(3) Grants for general research support under section 301(a)(3) of the Act (42 U.S.C. 241(a)(3)).

(c) This part also applies to cooperative agreements made to support the centers specified in paragraph (a) of this section. When a reference is made in this part to "grants," the reference shall include "cooperative agreements."

[61 FR 55108, Oct. 24, 1996]

§ 52a.2 Definitions.

As used in this part:

Act means the Public Health Services Act, as amended (42 U.S.C. 201 et seq.).

Center means:

(1) For purposes of grants authorized by section 414 of the Act, an agency or institution which provides for planning and conducting basic and clinical research into, training in, and demonstration of advanced diagnostic, control, prevention and treatment methods for cancer;

(2) For purposes of grants authorized by section 417 of the Act, an agency or institution which provides for planning and conducting basic, clinical, epidemiological, psychosocial, prevention and treatment research and related activities on breast cancer;

(3) For purposes of grants authorized by section 417A of the Act, an agency or institution which provides for planning and conducting basic, clinical, epidemiological, psychosocial, prevention and control, treatment, research, and related activities on prostate cancer;

(4) For purposes of grants authorized by section 422 of the Act, an agency or institution which provides for planning and basic and clinical research into, training in, and demonstration of, management of blood resources and advanced diagnostic, prevention, and treatment methods (including emergency services) for heart, blood vessel, lung, or blood diseases including sickle cell anemia;

(5) For purposes of grants authorized by section 431 of the Act, a single institution or a consortium of cooperating
